After your discharge, you will receive a Member Experience Survey regarding naviHealth services and your care coordinator.  
**Your feedback is very important, we look forward to hearing from you.**

## Your journey

We have partnered with your health plan to help you make informed decisions about your care after your hospital stay. This program costs you nothing. The level of participation in your care plan is completely up to you.

## Your condition

Our team works with your doctors, nurses, therapists and social workers to develop a care plan for you. We can help you understand your condition. We also help you increase your potential to be at your best.

## Your care

We work with you and your loved ones to make sure you are on the right track to recovery. An experienced care coordinator will visit you in person or by phone. Your care plan will be based on your specific, individual needs.
